

I was very upset to learn that my local K-LOVE station could be replaced by some LPFM station. Oklahoma City has the largest following of any of the K-Love stations and other cities need this same opportunity. There is very little on radio or television I would consider worthwhile but K-LOVE has truly been a blessing in my life and in the lives of others. What other station provides uplifting family programming as well as full time pastors that you can call 24 hours a day!!! It is so reassuring to know that when everything else is falling apart there really is somewhere you can go and for many it may be all they have. Please, don't take this away, there is NOTHING else like it!
